RECOMMENDATIONS FOR IMPROVEMENT

Key Suggestions

- Offer more **on-demand + webinar** options
- Continue to align offerings with **DC licensing requirements**
- Provide **clearer reminders**, follow-ups and advance notice when courses are available
- Keep sessions **short** (30 min or less) and concise
- Find a way to participate asynchronously with other learners (**Comment Board**)

"Keep providing new courses. They are excellent"

"I like the platform and course offerings"

"Keep doing what you do!"
